Football: Cardinal Stadium

Hermligh's Cardinal Stadium was completed in the fall of 2011. The stadium consists of an eight lane, all-weather track and a six-man, artificial playing surface featuring Carter Construction's Sportturf 419.

The installation of the new turf provides a more realistic, grass-like surface while also allowing for excellent drainage in a downpour.

The new stadium features a large, air conditioned home pressbox, an air conditioned visitor's pressbox, filming platforms, new dressing rooms, a concession stand, clean restrooms, play clocks, a 20 ft LED scoreboard and spectacular lighting. The stadium's capacity is 1500, not including standing room alongside the fenced in playing area. All of these features make Cardinal Stadium one of the premiere, six-man venues in the state.

Pricing for usage of the football facility is \$1,000 per game, which includes facility use and gameday staff. A licensed peace officer can be provided for an additional \$100, along with EMT services which will be an added expense of \$175. Responsibility for securing game officials, game programs and a trophy if needed, rests with the two opposing schools.

PRICING BREAKDOWN

<u>Items</u>	<u>Facility Fee</u>
One Game	\$1,000
Security	\$100
Ambulance	\$175
