

## **Joshua Gilbert Memorial Scholarship Information for Seniors**

The Joshua Gilbert Memorial Scholarship is unique due to the fact that scholarship funds are not limited to being used for college or trade school. Scholarship funds may also be used for expenses necessary for you to move forward in your life, whether join the military or go directly into the work force after graduating.

Although grades are considered when reviewing applications, other factors such as honesty, integrity, work ethic, determination are also heavily weighed when choosing a recipient. If you are the type of young person that possesses these qualities, we would encourage for you to apply for this scholarship.

Thank you;

Jim Lionberger
